STUDY LEVEL
The GEM Trailblazer Exchange Programme is open to both Undergraduates (UG) and Graduates (PG).

MODE OF STUDY
You may choose to read courses or conduct research during the exchange.

PROGRAMME DURATION
Study at NTU for one or two semesters. Research has a minimum duration of 3 months.

MEDIUM OF INSTRUCTION
All courses, except language courses, are conducted in English.

SEMESTER WORKLOAD
UG students typically take 3 to 5 courses per semester based on 3 or 4 AUs per course (subject to their home university’s and NTU’s approval). There is no minimum workload. The maximum workload allowed is 6 courses or 20 AUs per semester.

PG students may only read postgraduate courses. They must take at least one and up to five postgraduate courses in a semester.

DIRECT MASTERS STUDENTS
Only Direct (Integrated) Masters students who have completed at least seven semesters of study at their home university are eligible to apply under the UG category, to have access to advanced UG courses in addition to PG courses.

COURSE SELECTION AND RESTRICTIONS
NTU offers a wide range of undergraduate courses and limited selection of postgraduate courses. Exchange students are strictly not allowed to apply or appeal for restricted courses. (Refer to ‘Course Matters’ on page 5 for more.)
WHEN SHOULD YOU ARRIVE AT AND DEPART FROM NTU?

All inbound students are expected to attend classes from the first day of the semester. We recommend arriving on the Wednesday or Thursday in the week prior. This allows you to settle into your new surroundings and attend the compulsory Orientation for Inbound Students (usually held on Thursday or Friday).

Arriving after the semester has begun is strongly discouraged. It is important to know that requests to modify registered courses after the add/drop period ends (Teaching Weeks 1 and 2) will not be facilitated under any circumstances. Furthermore, remote learning options are not offered. If you are unable to arrive by the recommended time, please write to OGEM with valid reasons and further advice.

Return flights should be arranged after the semester ends as exams may fall on the last day of the semester. Re-scheduling of exams is not an option and requests for such will not be accommodated. Students who miss exams without proof of valid reasons shall be deemed as having failed the course. An "F" grade will be printed on their transcript.

OFFICIAL TRANSCRIPTS

Two copies of the official NTU transcript will be mailed to your home university's exchange office within two months of completing the exchange programme. One copy will be for your retention, while the other shall be retained by your home university. NTU does not issue electronic transcripts to exchange students.

WITHDRAWING FROM THE PROGRAMME

Before arriving at NTU
You must inform your home university in writing of your decision to withdraw, with NTU’s Office of Global Education and Mobility (OGEM) in copy.

After arriving at NTU
Before firming up your departure travel plans, you must inform your home university in writing of your decision to withdraw, with NTU’s Office of Global Education and Mobility (OGEM) in copy.

ACADEMIC UNITS AND GRADING SYSTEM

NTU’s courses are assigned credits based on academic units. Most courses offered in NTU are worth 3 to 4 AUs.

The AU is a measure of the student's workload associated with both class attendance and preparation. For a typical one-semester course, the number of AU is calculated as follows:
- 1 hour of lecture/tutorial per week : 1 AU
- 3 hours laboratory/fieldwork per week : 1 AU

NTU uses the Grade Point Average (GPA) system in awarding grades. The Pass/Fail option is not applicable to exchange students.

**Proof of English Language Proficiency**

*Not required where English is the core language of instruction in the home institution.* Refer to page 9 for accepted English tests/indicative grades. The guidelines are in place to ensure that you can cope with the rigour of classes conducted in English. If you do not have any of the tests listed, you may request for a letter from your home university, confirming your language proficiency.

**Additional Documents**

- **Postgraduate applicants only**
  - Bachelor’s transcripts and degree certificate (.pdf)
- **Research applicants only**
  - Current Curriculum Vitae (.doc, <600kb)
  - You must have a confirmed research title and supervisor, to be indicated in your application
COURSE MATTERS

In your application, you will be asked to select 10 courses for each applicable semester.

COURSES OFFERED

**UG courses**
Course offerings will only be published in May and November (for Semester 1 and 2, respectively). Use the previous year's courses offered as a reference.

**PG courses**
A very limited PG selection of courses is available for exchange students. Postgraduate and Direct Masters students may only select PG courses from a given list, to be published in March and September (for Semester 1 and 2, respectively).

GOOD TO KNOW

Due to capacity limits, courses offered by NTU’s School of Computer Science and Engineering (SCSE) courses are **no longer available** to exchange students until further notice. Depending on your requirements, you may be able to find suitable alternatives offered under our other Engineering Schools instead.

Across the board, it is worth noting that it can be very difficult to secure placement for courses that are highly popular. You can avoid disappointment by planning for back-ups and being flexible with your course plan.

To ensure that you have an adequate number of approved courses prior to arriving at NTU, select **no fewer than 10 courses** in your application. Check that they are approved by your home university and are deemed necessary for your academic progression. Stay abreast of information relating to course registration processes and deadlines in the weeks leading up to the start of the semester.

In the event that you do not have sufficient courses approved prior to your arrival at NTU, you may still add on or modify your course plan during the 2-week add/drop period after your arrival at NTU in Teaching Weeks 1 and 2.

RESTRICTED COURSES/PROGRAMMES

Exchange students are **not allowed** to apply for/read restricted courses and programmes. Students should not appeal for such courses.

CREDIT TRANSFER

It is your responsibility to ensure that the NTU courses selected are transferrable for credit at your home university. To find detailed course syllabi, try a simple search on the NTU website. If you are unable to find what you need, write to Office of Global Education and Mobility (OGEM) to request it.

COURSE APPROVAL

The courses indicated in your application will be evaluated against your academic documents by the offering School(s). If deemed suitable, the courses will be approved for you to read. Note: **approval does not translate to course enrolment**, as enrolment is subject to availability of vacancies and the class/exam schedule. Course enrolment takes place in a later step.
OTHER MATTERS

COVID-19 & ENTRY REQUIREMENTS
There are no longer any COVID-19 measures for travellers arriving in Singapore from 13 Feb 2023, regardless of vaccination status or traveller profile. Travellers must ensure that they fulfil all other general entry requirements.

ENTRY VISAS
Students who require an entry visa to enter Singapore need not apply for one. Upon approval of the Student’s Pass (STP) application, an In-Principle Approval (IPA) letter will be issued, wherein a single journey visa is incorporated for entry into Singapore.

STUDENT’S PASS (STP)
You are required to hold a valid Student’s Pass (STP) issued by the Singapore Immigration & Checkpoints Authority (ICA) for the duration of your programme.

It remains a requirement for all STP applicants to be fully vaccinated with the approved COVID-19 vaccines. You will be guided through the process for the application of the STP after you accept our Offer. We recommend arranging your travel plans only after the STP application is approved.

Exchange students holding the STP are not allowed to engage in work activities, whether paid or unpaid, for the entire duration of the immersion period.

HEALTH/MEDICAL DECLARATIONS
To ensure that your wellbeing is addressed, you should declare all existing conditions (medical, physical/mobility, sensory impairment, neurological deficits and/or learning disabilities, etc) in your application. Medical documentation and/or specialist assessment reports will be requested for evaluation.

ON-CAMPUS HOUSING
Campus Housing is offered to exchange students on an availability basis.

Eligibility
All exchange students on coursework may apply for campus housing. Research exchange students are not eligible in view of their varied project dates.

Application
Apply for campus housing via the GEM Trailblazer Exchange/Study Abroad Portal after the acceptance of Offer. Do not apply directly with the Office of Campus Housing.

Allocation outcome
Vacancies are allocated randomly via computer balloting. Unsuccessful applicants and those who miss the application deadline must be prepared to rent off-campus accommodation.

GETTING TO CAMPUS
NTU is located on the western end of the island and is easily accessible by public transport (MRT and taxis) when you arrive at Changi airport. Ride-hailing (eg. Grab, Gojek, TADA) is another popular way to get around. More details can be found in our pre-arrival guide.
The future is hot in Asia! The GEM Trailblazer Summer Programme offers 20+ courses across FIVE different tracks. Spend a summer at NTU, Singapore - a springboard to explore the rich cultural diversity in neighbouring countries!

For more details about course selection, campus housing and more, visit our Programme Brochure.

If you have a specific query, please write to the Inbound Mobility Team at the Office of Global Mobility (OGEM) at GEM-Trailblazer@ntu.edu.sg.

PERSONAL INSURANCE
All exchange students must be insured under the NTU student insurance schemes: Group Personal Accident Insurance (GPAI), Group Hospitalisation & Surgical Insurance (GHSI) and Medical scheme. This applies even if you have existing coverage. The cost of the NTU student insurance premiums is included in the compulsory NTU miscellaneous fees.

It is a good idea to purchase additional comprehensive travel and COVID-19 coverage for your travel to and from Singapore, and during the semester to ensure that you are adequately covered for the unexpected.

MISCELLANEOUS FEES
The compulsory miscellaneous fees help to meet part of the costs of providing insurance, programmes and amenities, IT services, and other academic-related services to students. Estimated cost: between S$220 to S$280.

HEALTH SCREENING
If your programme duration at NTU exceeds 6 months, you must undergo a health screening after arrival as part of the Student’s Pass requirements.

ORIENTATION FOR INBOUND STUDENTS
The Orientation is held at the beginning of each semester (usually on a Thursday or Friday in the week before semester starts) for new inbound students. It’s a great way to learn more about the services at NTU and to meet fellow international students! All exchange students are strongly encouraged to attend.

BANKING FACILITIES ON CAMPUS
Banking services are available at the OCBC bank located on campus. An early closure fee may apply if you close a bank account within the first six months of opening it. Cash withdrawals can be made at ATMs located around the campus.

HAVE A QUESTION?
Find more details about course selection, campus housing and more in our Programme Brochure. If you have a specific query, please write to the Inbound Mobility Team at the Office of Global Mobility (OGEM) at GEM-Trailblazer@ntu.edu.sg.

FROM APPLICATION TO ARRIVAL

PRE-APPLICATION
Your exchange coordinator will nominate you in our portal. Once your nomination is submitted, you will receive an email with the application link and instructions to begin your application.

STEP 1: APPLY ONLINE
Complete the online application and upload all mandatory documents within the stipulated deadline (see page 4). Incomplete applications will result in processing delays.

STEP 2: ACCEPT THE OFFER
You will receive the E-Welcome Package upon application approval. This will let you accept the Offer and have access to the GEM Trailblazer/Study Abroad Portal to begin Step 3 tasks.

STEP 3A: APPLY FOR CAMPUS HOUSING
All eligible applications received within the stipulated deadline will be considered for campus housing.

STEP 3B: APPLY FOR STUDENT’S PASS
Student’s Pass (STP) applications must be submitted at least two months and no more than three months before arrival.

STEP 3C: COURSE REGISTRATION
Students must stay abreast of details regarding course registration processes taking place during this time.

STEP 3D: COURSE REGISTRATION
The GEM Trailblazer Exchange/Study Abroad Portal provides you with one-stop information and access to the relevant admissions matters that require your attention prior to arrival:
- Letter of Enrolment (LOE)
- Student’s Pass (STP) Application
- On-campus housing application and outcome
- Course registration processes and deadlines
- Other essential arrival details

STEP 4: MAKE YOUR TRAVEL PLANS
It is recommended to book your flights only after receiving the In-Principle Approval (IPA) letter, issued when the STP application (Step 3B) is approved. You should also purchase travel insurance.

STEP 5: ARRIVE AT NTU
Plan to arrive in the middle of the week prior to the start of the semester. Attend the Orientation and begin attending classes while you finalise your courses during the add/drop period (Teaching weeks 1 and 2).
